### ACADEMIC POSITIONS

---

<b>2021-on</b>	Research director, ISTC-CNR
<b>2019/21</b>	Senior research scientist, ISTC-CNR
<b>2016</b>	Visiting scientist (CNR “Short-Term Mobility” grant), Appalachian State University (USA)
<b>2009/19</b>	Research scientist (permanent position), ISTC-CNR
<b>2008</b>	Visiting scientist (CNR “Short-Term Mobility” grant), University of Georgia (USA)
<b>2007</b>	Visiting scientist. Field station “Ethocebus”, Piauí (Brazil)
<b>2005/08</b>	Research scientist (temporary position), ISTC-CNR
<b>2005</b>	Post-doctoral research fellow, ISTC-CNR
<b>2005</b>	Visiting scientist. University of Zürich (Switzerland)
<b>2004/05</b>	Post-doctoral research fellow (L’Oréal Italia For Women in Science), ISTC-CNR
<b>2004</b>	Post-doctoral research fellow (SNF/CNR International Exchange Program), University of Zürich (Switzerland)
<b>2004</b>	Post-doctoral research fellow (NATO-CNR Advanced), The Pennsylvania State University
<b>2003</b>	Visiting scientist. The Pennsylvania State University (USA)
<b>2003/04</b>	Post-doctoral research fellow (Borsa CNR Italia), ISTC-CNR
<b>2001/02</b>	Visiting student. MPI for Evolutionary Anthropology, Leipzig (Germany)

### EDUCATION

---

<b>2003</b>	Ph.D., Animal Biology, Sapienza University, Rome Thesis: “The role of social influences on food neophobia in capuchin monkeys ( <i>Cebus apella</i> ) and chimpanzees ( <i>Pan troglodytes</i> )”
<b>1999/00</b>	Internship, ISTC-CNR
<b>1999</b>	Master degree (Laurea), Biology, 110/110 cum laude. University “Tor Vergata”, Rome. Thesis: “Social context and behavioural responses towards non-palatable food in capuchin monkeys ( <i>Cebus apella</i> )”

### FUNDING

---

<b>2020</b>	Effetti dell'alimentazione complementare a richiesta sullo sviluppo psicomotorio nei primi 2 anni di vita: uno studio su bambini nati pretermine. Progetto di Ricerca di Università, Sapienza University, Rome (Collaborator; PI: B. Caravale)
<b>2019</b>	Understanding how complementary feeding method longitudinally affects developmental outcomes in young children, MIUR (Italian Ministry for University and Scientific Research) - - PRIN (Progetti di Rilevante Interesse Nazionale) (PI, Co- Investigator: F. Bellagamba)
<b>2019</b>	Testing the cognitive components of primate cooperation, Leakey Foundation General Grant

- (Co-Investigator; PI: G. Schino)
- 2018** Development of an ecologically valid non-human primate model of gambling, Alberta Gambling Research Institute, AGRI Major Grant Proposal (Co-PI; PI: Jean-Baptiste Leca, Co-PI: Dr. Robert Williams)
- 2014** The emotional basis of primate reciprocity, Leakey Foundation General Grant (Co-Investigator; PI: G. Schino)
- 2014** Relazione tra capacità di inibizione e propensione al rischio in bambini di età prescolare, Progetto di Ricerca di Università, Sapienza University, Rome (Collaborator; PI: F. Bellagamba)
- 2010** La capacità di attendere per ottenere una ricompensa alimentare in bambini dai 2 ai 4 anni, Progetto di Ateneo Federato, Sapienza University, Rome (Collaborator; PI: F. Bellagamba)
- 2009** Intertemporal choices for primary and secondary rewards: how capuchin monkeys and humans discount time with food and tokens, American Society of Primatologists General Small Grant (PIs: F. Paglieri, E. Addessi)
- 2009** L'impazienza vien mangiando? Scelta intertemporale, tipo di rinforzo e tempi di consumo: primati umani e non umani a confronto, ISTC-CNR Grant (PIs: F. Paglieri, E. Addessi)
- 2007** Etologia dell'altro mondo: a scuola dai cebi del Sud America, MIUR (Italian Ministry for University and Scientific Research) (PI)
- 2007** Gestione di una colonia di primati non umani in cattività, CNR-RSTL (Ricerca Spontanea a Tema Libero) (PI: E. Visalberghi)
- 2006** Humans-The Analogy-Making Species (ANALOGY), VI Framework Programme, NEST Pathfinder initiative "What it means to be human", Contract n° 29088 (Collaborator; PI: B. Kokinov)
- 2005** Stages in the Evolution and Development of Sign Use (SEDSU), VI Framework Programme, NEST Pathfinder initiative "What it means to be human", Contract n° 12984 (Collaborator; PI: J. Davidoff)
- 2005** Ricerca ed Etica: Osservare Capire Rispettare", MIUR (Italian Ministry for University and Scientific Research) (Collaborator; PI: E. Visalberghi)

## **TRAVEL GRANTS AND FELLOWSHIPS**

---

- 2006** Travel grant from the Associazione Primatologica Italiana (API) to attend the XXI International Primatological Society Conference, Entebbe (Uganda)
- 2005** EC travel grant (Integrated Project Robot-Cub) to attend the Conference "The Origin of Man, Language and Languages (OMLL)", ESF Eurocores Programme, Ferrara (Italy)
- 2003** Post-doctoral fellowship (Borsa CNR Estero). Declined
- 2003** SNF/CNR International Exchange Program grant. Declined
- 2003** SSIB (Society for the Study of Ingestive Behavior) New Investigator Award
- 2000** EC travel grant to attend the Meeting of the Primate Society of Great Britain, London
- 1999** CNR Ph.D. fellowship
- 1999** Post-graduate fellowship, Istituto Superiore di Sanità, Rome. Declined

## **PROFESSIONAL EXPERIENCE**

---

**2019-2021** Guest Editor, Philosophical Transactions of the Royal Society of London, Theme Issue "*Existence and prevalence of economic behaviours among non-human primates*" (with S. Bourgeois-Gironde, T. Boraud), published on Jan 11, 2021

[investimenti-1.5968962](#) (extended article in “La Nazione”, Jan 31, 2021)

**2018-on** International Journal of Primatology, Editorial Board

**2017** Scientific Committee XXIII Meeting of the Italian Primatological Association (API), Trento

**2015-2016** External Reviewer for the Board of Governors Research Chair (BoGRC) competition, University of Lethbridge (Canada)

**2015** Scientific Committee VI Meeting of the European Federation of Primatology, Rome

**2015-on** Frontiers in Comparative Psychology, Associate Editor

**2015-2021** Cognitive Processing, Associate Editor

**2014-2018** ISTC-CNR Ethics Committee

**2011-on** PLoS ONE, Academic Editor

**2013-2016** ASAB Ethics Committee

**2010- 2015** Frontiers in Comparative Psychology, Review Editor

**2012-2014** Journal of Primatology, Academic Editor

**2010- 2013** ISRN Zoology, Editorial Board

**2009-11** Primates, Advisory Board

#### **ADHOC GRANT REVIEWER:**

Agence Nationale de la Recherche

Italian Ministry for University and Scientific Research (SIR & FISR projects)

Leakey Foundation

Vienna Science and Technology Fund (WWTF) - Cognitive Sciences

**AD-HOC JOURNAL REVIEWER:** Acta Psychologica, Advances in Cognitive Psychology, Animal Behaviour, Animal Behavior and Cognition, Animal Cognition, American Journal of Primatology, Appetite, Behaviour, Behavioural Processes, Biology Letters, BMC Biology, Cognitive Development, Cognitive, Affective & Behavioral Neuroscience, Cognition, Developmental Psychobiology, Developmental Science, Ethology, Ecology & Evolution, International Journal of Primatology, Journal of Experimental Psychology: Animal Behavior Processes, Journal of Experimental Social Psychology, Learning and Motivation, Neuroscience & Biobehavioral Reviews, PeerJ, Physiology & Behavior, PLoS ONE, Primates, Proceedings of the Royal Society B, Biological Sciences, Psychological Science; Science Advances, Scientific Reports, Trends in Cognitive Sciences

**2015.** Recognized as “Outstanding Reviewer” by the Journal “Animal Behaviour”

#### **PROFESSIONAL SOCIETIES**

---

**2021-on** AIP (Associazione Italiana di Psicologia), Member

**2002-on** ASAB (Association for the Study of Animal Behaviour), Member

**2002-on** IPS (International Primatological Society), Member

**2000- on** SIE (Società Italiana di Etologia), Member (**Secretary 2021-on**)

**2000-on** API (Associazione Primatologi Italiani), Member (**Board 2007-2011**)

#### **TEACHING**

---

**2014-2023** Qualified as Associate and Full Professor for the domain “General Psychology, Psychobiology, and Psychometrics” in Italian universities (Abilitazione Scientifica Nazionale) – PSI-01

**2014-2023** Qualified as Associate Professor for the domain “Zoology & Anthropology”, (Abilitazione Scientifica Nazionale) – BIO/05

- 2013-15** Psychobiology of Human Behaviour, Università Telematica Internazionale “Uninettuno”  
**2003-2013** Ethology. Scuola di Specializzazione, Istituto di Psicologia e Psicoterapia Cognitiva Post-Razionalista (IPRA); Rome, Bari  
**2002-2003** Teaching assistant, Cognitive Psychology, Sapienza University, Rome

### **MASTER AND PHD COMMITTEES**

---

- 2021-on** Member of the Committee of the PhD program in Psychology and Cognitive Science, Sapienza University, Rome  
**2020-2022** University of Lethbridge (Canada), Associate member of the School of Graduate Studies  
**2011-2016** Member of the Committee of the PhD program in Educational Research and Developmental Psychology, Sapienza University, Rome  
**2010** University of Strasbourg (France). External member of the examining PhD committee. Candidate Marie Pelé "Etude comparative des facultés d'échange chez les primates non humains"

### **TUTORIAL ACTIVITY**

---

#### **POST-DOCS**

- 2020-2021** Research fellow (assegno di ricerca), PRIN 2017 (Valentina Focaroli)  
**2020-2021** Research fellow (assegno di ricerca), PRIN 2017 (Giulia Pecora)  
**2020-2021** Marie-Curie Incoming Fellow (Giulia Sirianni, Sapienza University, Secondment at ISTC-CNR)  
**2016-2017** L'Oreal-Unesco fellow (Francesca Zoratto)

#### **PHD STUDENTS AND POST-GRADUATE FELLOWSHIPS**

- 2014-2017** PhD Thesis (Cognitive Psychology), Co-tutor, Candidate Melania Paoletti. Sapienza University, Rome  
**2012-15** PhD Thesis (Anthropology), Co-tutor, Candidate Francesca De Petrillo. Sapienza University, Rome  
**2011/14** PhD Thesis (Cognitive Psychology), Co-tutor, Candidate Valentina Focaroli. Sapienza University, Rome  
**2011/14** PhD Thesis (Educational Research and Developmental Psychology), Co-tutor, Candidate Giulia Pecora. Sapienza University, Rome  
**2009/10** Post-graduate fellow, Sabrina Rossi, ISTC-CNR

#### **MASTER DEGREES**

- 2022** Psychology (Giulia Trappetti), Sapienza University, Rome  
**2022** Psychology (Clelia Mazzarino), Sapienza University, Rome  
**2022** Ecobiology (Alessandra D'Onofrio), Sapienza University, Rome  
**2022** Neurobiology (Edoardo Colaiuda), Sapienza University, Rome  
**2022** Pedagogy (Noemi Palladino), Sapienza University, Rome  
**2022** Pedagogy (Beatrice Farina), Sapienza University, Rome  
**2022** Psychology (Sara Fraboni), Sapienza University, Rome  
**2022** Psychology (Maria Alejandra Jimenez), Sapienza University, Rome  
**2022** Psychology (Sara Picuno). Sapienza University, Rome  
**2021** Psychology (Caleb Bunselmeyer), Lethbridge University, Canada  
**2021** Neurobiology (Sara Franciosa), Sapienza University, Rome  
**2021** Biodiversity and Evolution (Filippo Ciacci), University of Bologna

<b>2021</b>	Cognitive Sciences (Chiara Boschetti). University “Roma 3”
<b>2021</b>	Psychology (Mariarosaria Ciolli). Sapienza University, Rome
<b>2021</b>	Psychology (Flavia Palluzzi). Sapienza University, Rome
<b>2021</b>	Psychology (Denise Del Grosso). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Elisa Iaboni). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Michela De Cicco). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Era Marras). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Alice Di Prete). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Ilaria Bombaci). Sapienza University, Rome
<b>2020-2021</b>	Psychology (Giorgia Sacco). Sapienza University, Rome
<b>2020</b>	Psychology (Maria Antonia Carrillo). Sapienza University, Rome
<b>2019-2020</b>	Ethology (Maria Ricotta). University of Firenze
<b>2018-2019</b>	Neurobiology (Federica Rossi). Sapienza University, Rome
<b>2017-2018</b>	Neurobiology (Eleonora Quintiero). Sapienza University, Rome
<b>2017-2018</b>	Biology (Francesca Lanzarini). University of Parma
<b>2016-2017</b>	Psychology (Rosy Gagliardi). Sapienza University, Rome
<b>2016-2017</b>	Psychology (Arianna Pierantozzi). Sapienza University, Rome
<b>2015-2016</b>	Psychology (Eleonora Tomei). Sapienza University, Rome
<b>2015-2016</b>	Ethology (Marta Caselli). University of Florence
<b>2015-2017</b>	Ecobiology (Flaminia Casadei). Sapienza University, Rome
<b>2015-2018</b>	Neurobiology (Roberta Vitiello). Sapienza University, Rome
<b>2014-2015</b>	Natural Sciences (Gabriele Oddi). Sapienza University, Rome
<b>2014-15</b>	Psychology (Giusy Fleres), Co-tutor. Sapienza University, Rome
<b>2013-14</b>	Ethology (Antonia Micucci). University of Firenze
<b>2013-14</b>	Natural Sciences (Emanuele Gori). Sapienza University, Rome
<b>2012-13</b>	Psychology (Maria Letizia Castano), Co-tutor. Sapienza University, Rome
<b>2012-13</b>	Neurobiology (Marialba Ventricelli). Sapienza University, Rome
<b>2011/12</b>	Ecobiology (Francesca De Petrillo). Department of Human and Animal Biology, Sapienza University, Rome
<b>2010/11</b>	Psychology (Valeria Tierno). Department of Psychology, Sapienza University, Rome
<b>2010/11</b>	Psychology (Luigi Macchitella). Department of Psychology, Sapienza University, Rome
<b>2009/10</b>	Psychology (Valentina Focaroli). Department of Psychology, Sapienza University, Rome
<b>2008/09</b>	Ecobiology (Sabrina Rossi). Department of Human and Animal Biology, Sapienza University, Rome

### **INTERNSHIPS**

<b>2020</b>	Internship (Beatrice Bassanello)
<b>2019</b>	Internship (Maria Ricotta)
<b>2018</b>	Internship (Martina Caroli)
<b>2017</b>	Internship (Doreen Schrimpf)
<b>2017</b>	Visiting student (Martina Caroli)
<b>2016</b>	Internship (Gabriele Oddi)
<b>2014-15</b>	Internship (Antonia Micucci)
<b>2014-15</b>	Internship (Emanuele Gori)
<b>2014</b>	Internship (Giordana Tonachella), Sapienza University, Rome
<b>2014</b>	Internship (Eleonora Perugini). University “Roma 3”
<b>2013</b>	Internship (Roberta Massimei). University of Firenze
<b>2013</b>	Internship (Maria Bobbio). University “Roma 3”
<b>2012-13</b>	Internship (Giorgia Ponsi). Sapienza University, Rome

- 2011/12 Internship (Luigi Macchitella).  
 2009/10 Stage (Luigi Macchitella). Sapienza University, Rome  
 2009/10 Stage (Fabiana Velletrani). University “Roma 3”  
 2009 Internship (Alessandra Mancini). FixO Project (Formazione e Innovazione per l’Occupazione). Sapienza University, Rome  
 2004 Mentor for Undergraduate Independent Studies. The Pennsylvania State University

#### BACHELOR DEGREES

- 2019 Biology (Filippo Ciacci). University of Bologna  
 2017-2018 Biology (Alice Ciampricotti). Sapienza University, Rome  
 2016-2017 Biology (Laura Iacobelli). Sapienza University, Rome  
 2016-2017 Biology (Silvia Pillitteri). Sapienza University, Rome  
 2014-15 Biology (Giordana Tonachella). Sapienza University, Rome  
 2011/12 Biology (Silvio Cianciullo). Department of Human and Animal Biology, Sapienza University, Rome, Rome  
 2009/10 Biology (Marialba Venticelli). Department of Human and Animal Biology, Sapienza University, Rome  
 2009/10 Biology (Francesca De Petrillo). Department of Human and Animal Biology, Sapienza University, Rome

#### INVITED LECTURES AND SEMINARS

- 2022 **Invited speaker.** ‘Economia...da Primati? Alla ricerca delle origini evolutive dell’uso della moneta’ Seminario “Biodiversità e comportamenti: la ricchezza svelata dall’etologia”, Associazione Link Sapienza, Sapienza Università di Roma  
 2021 **Invited speaker.** “Economia...da Primati”, Seminario “Etologia, Ecologia, Evoluzione, la zoologia ai tempi del Covid19”, Università di Firenze, online  
 2021 **Invited speaker.** ‘Il contributo della primatologia alla comprensione del comportamento umano...e viceversa’, Seminario “Biodiversità e comportamenti: la ricchezza svelata dall’etologia”, Associazione Link Sapienza, online  
 2019 **Invited speaker.** XVI Annual Conference of the Italian Association of Cognitive Science, Rome  
 2019 **Invited speaker.** ‘Oltre la ricerca. Gli studi cognitivi promuovono il benessere dei primati in cattività’, I National Conference of Eticoscienza  
 2019/20 **Invited lecture** for a course aimed at Montessori teachers, Opera Nazionale Montessori  
 2018 **Invited speaker.** ‘Economic behaviour of non-human primates’, Villa Finaly Workshop, organized by Université Paris II & Ecole Normale Supérieure, Florence  
 2018/19/21 **Guest lecture** for the course “Ethology” (taught by I. Branchi), Dipartimento di Biologia e Biotecnologie, Sapienza University, Rome  
 2017 **Invited speaker.** Round table “Da grande farò la scienziata” (with V. De Marchi, E. Visalberghi and “Le Ipazie”), Impunita – Festival di Cultura Critica dell’Infanzia, LoA Acrobax, Roma  
 2017 **Invited speaker.** ‘Cibo panacea di tutti i mali? Aspetti nutrizionali, etologici e gestionali dell’alimentazione in cattività’, I National Conference A.I.G.ZOO (Italian Association of Zookeepers)  
 2017 **Invited speaker.** ‘Emozioni e presa di decisione nei primati non umani: sfide metodologiche e studi sperimentali’, Darwin Day, Roma, Liceo “T. Mamiani”  
 2016 **Invited speaker.** ‘Reasoning with symbolic stimuli in nonhuman primates’ (with E. Visalberghi), Giornata Lincei Golgi “Brain and Mathematical Thinking”, Accademia Nazionale dei Lincei, Rome  
 2016/18/20 **Invited lecture** for the course “SIBIL” (Interdisciplinary Bilateral Seminar Series, ISTC-CNR & -Roma Tre University on “Communication and Cognitive Processes”), ISTC-CNR, Rome  
 2015 **Invited lecture** for the course “Intertemporal choice” (organized by F. Paglieri), PhD Program in

Cognitive Psychology, Sapienza University, Rome

- 2015 Invited speaker.** A tavola con le scimmie (with E. Visalberghi), Museo Civico di Zoologia, Rome (Italy)
- 2015 Guest lecture** for the course “Developmental psychology and emotional self-regulation” (taught by E. Baumgartner), Facoltà di Medicina e Psicologia, Sapienza University, Rome
- 2014 Invited speaker.** Are capuchin monkeys ecologically rational? Decision making over time and under risk in *Sapajus* spp. Fourth International Symposium on ‘Biology of Decision Making’ (SBDM), Paris (France)
- 2014 Guest lecture** for the course “Ethology” (taught by A. Vitale), Dipartimento di Biologia Animale e dell’Uomo, Sapienza University, Rome
- 2013 Invited speaker.** Workshop ‘Concepts and methodologies in the field of intertemporal choices’, Vienna (Austria)
- 2010 Invited speaker.** Round table “Per esempio. Modelli e testimoni del possibile” (with E. Alleva, M. Pandolfi and A. Fazi), Parco degli Orti Giulii, Pesaro
- 2010 Invited speaker.** Workshop “Pensiero e calcolo negli animali superiori” (with C. Agrillo, R. Rugani, S. Gozzano), Scuola di Dottorato in Scienze Umane, Genova
- 2010 Invited speaker.** Ragionamenti da scimmie: i nostri studi sui cebi (with E. Visalberghi), Auditorium dell’Acquario di Genova (Italy)
- 2009 Invited speaker.** Workshop “Coop-peer-action”, Gitschenen (Switzerland)
- 2009/10/12/13/18 Guest lecture** for the course “Ethology” (taught by E. Alleva), Dipartimento di Biologia Animale e dell’Uomo, Sapienza University, Rome
- 2009 Invited speaker.** Berlin Behavioural Biology Symposium, Berlin (Germany)
- 2007 Invited speaker.** Così vicini...così lontani. Uso di strumenti e tradizioni “culturali” nelle scimmie. “Museo Sera”, Museo Regionale di Scienze Naturali, Torino (Italy)
- 2007 Invited speaker.** How primates learn what to eat. A comparative approach. Colloque annuel SFECA (Société Française pour l’Etude du Comportement Animal), Paris (France)
- 2007 Invited speaker.** Round table “Menti sociali” (with L. Fadiga, V. Rettore, A. Balestrieri). Società Letteraria, Verona (Italy)
- 2007 Invited seminar.** Uso di simboli nel cebo dai cornetti (*Cebus apella*)? Dipartimento di Scienze Neurologiche e della Visione, Università di Verona (Italy)
- 2006 Invited seminar.** Strategie di scelta fra *token* nel cebo dai cornetti (*Cebus apella*). Istituto Superiore di Sanità, Rome
- 2006 Invited speaker.** Perché le scimmie non ingrassano? Comportamenti alimentari (umano e animale) a confronto. Festival della Scienza, Genova (Italy)
- 2006 Invited speaker.** A tavola con le scimmie. “Giovedì Scienza”, Associazione Centroscienza, Teatro Colosseo, Torino (Italy)
- 2005 Invited seminar.** Influenze sociali sulla neofobia alimentare nel cebo dai cornetti (*Cebus apella*) e nell’uomo. Istituto Superiore di Sanità, Rome
- 2004 Invited seminar.** “Overcoming food neophobia: children and capuchins face to face”. Institute of Anthropology, University of Zürich (Switzerland)
- 2003 Invited seminar.** “Social influences on food neophobia in tufted capuchin monkeys (*Cebus apella*): common assumption and experimental evidence”. The Pennsylvania State University (USA)
- 2003 Invited seminar.** “Imparare dagli altri o con gli altri? Influenze sociali sul comportamento alimentare nel cebo dai cornetti (*Cebus apella*)”. Istituto di Scienze e Tecnologie della Cognizione, CNR, Rome
- 2003 Invited speaker.** “Traditions: what are the ingredients? The capuchin monkeys’ recipe”. Conference “Capuchins: The state of the art”, Radicondoli (Italy)
- 2001 Guest lecture** for the course “Vertebrate Zoology” (taught by L. Boitani). Sapienza University, Rome
- 2000 Invited seminar.** Social influences on the acceptance of novel food in tufted capuchin monkeys (*Cebus apella*). Department of Psychology, Harvard University, Cambridge (USA)

- 2000 Invited seminar.** “Responses to novel foods by capuchin monkeys (*Cebus apella*). Does what group members do and eat matter?” Max-Planck Institute for Evolutionary Anthropology, Leipzig (Germany)
- 2000 Invited speaker.** “Social facilitation on the acceptance of novel foods. Does what the others are eating matter? An experiment in *Cebus apella*”. International Symposium on Phylogeny of Cognition and Language, Primate Research Institute, Kyoto University, Inuyama, Aichi (Japan)

## **PAPER PRESENTED AT SCIENTIFIC CONFERENCES**

### **(\*Oral communications presented by E. Addessi)**

- 1. Addessi, E., De Petrillo, F., Dufour, V. (Symposium organizers)** Perspectives on non-human primates' economic behaviour(s). Joint Conference of the European Federation of Primatology & the Gesellschaft für Primatologie, Arnhem (The Netherlands), 1-3/6/2022.
- 2. Panunzi, M., Addessi, E., Schino, G.,** Capuchin monkeys flexibly coordinate in a Snowdrift game. Joint Conference of the European Federation of Primatology & the Gesellschaft für Primatologie, Arnhem (The Netherlands), 1-3/6/2022.
- 3. Caravale, B., De Cicco, M., Miraglia, D., Focaroli, V., Paoletti, M., Pecora, G., Chiarotti, F., Galloway, A., Farrow, C., Gasparini, C., Gastaldi, S., Bellagamba, B., Addessi, E.** Alimentazione complementare e funzionalità oromotoria in bambini di 8 mesi. Poster presented at the XVII Giornate di Neuropsicologia dell'Età Evolutiva, Virtual Meeting, 19-22/01/2022.
- 4. Di Prete, A., Focaroli, V., Paoletti, M., Pecora, G., Hodges, E., Galloway, A., Farrow, C., Chiarotti, F., Caravale, B., Gasparini, C., Gastaldi, S., Bellagamba, F., Addessi, E.** Alimentazione complementare e responsività materna in bambini di 8 mesi. Poster presented at the XVII Giornate di Neuropsicologia dell'Età Evolutiva, Virtual Meeting, 19-22/01/2022.
- 5. Paoletti, M., Focaroli, V., Pecora, G., Barr, Chiarotti, F., Caravale, B., Gasparini, C., Gastaldi, S., Addessi, E., Bellagamba, F.** Caratteristiche dell'esposizione ai media e sviluppo cognitivo e comunicativo in lattanti di 8 mesi. Poster presented at the XVII Giornate di Neuropsicologia dell'Età Evolutiva, Virtual Meeting, 19-22/01/2022.
- 6. Pecora, G., Focaroli, V., Paoletti, M., Barca, L., Chiarotti, F., Borghi, A.M., Gasparini, C., Caravale, B., Bombaci, I., Gastaldi, S., Bellagamba, F. Addessi, E.** Sonno e sviluppo del bambino nei primi 8 mesi di vita. Poster presented at the XVII Giornate di Neuropsicologia dell'Età Evolutiva, Virtual Meeting, 19-22/01/2022. **POSTER PRIZE WINNER.**
- 7. Pecora, G., Paoletti, M., Focaroli, V., Bombaci, I., Caravale, B., Gastaldi, S., Chiarotti, F., Borghi, A.M., Barca, L., Bellagamba, F., Addessi, E.** Salute mentale materna e sonno del bambino: Possibili associazioni in un campione non clinico. Poster presented at the XVI Giornate di Neuropsicologia dell'Età Evolutiva, Virtual Meeting, 20-23/01/2021.
- 8. Ruffini, R., Addessi, E., Zitarelli, C., Sogos, C., Freda, F., Caravale, B.** Correlazione tra misure osservazionali e self-report nei primi anni di vita: DP3 e Bayley-III a confronto. Giornate PCS Bologna (Italy), 4-5/3/2022.
- 9. Pecora, G., Paoletti, M., Focaroli, V., Gasparini, C., Bombaci, I., Caravale, B., Gastaldi, S., Chiarotti, F., Bellagamba, F., Addessi, E.** Il sonno nelle prime fasi di vita: relazione con la salute mentale materna in tempo di pandemia. Paper presented by G. Pecora at the XXXIII National Conference of the Italian Psychological Society, AIP, Section of Developmental and Educational Psychology, Bari (Italy), 20-22/9/2021. **Invited talk in the Symposium “Routine quotidiane in famiglia e a scuola: aspetti educativi, di relazione e di crescita” (organizer: P. Molina).**
- 10. Focaroli, V., Carrillo, M.A., Gastaldi, S., Addessi, E.** Allattamento materno e sviluppo psicomotorio nei bambini di 4 e 8 mesi di età: uno studio longitudinale. Poster presented at the XXXIII National Conference of the Italian Psychological Society, AIP, Section of Developmental and Educational Psychology, Bari (Italy), 20-22/9/2021.

An evaluation of the validity of the intertemporal choice task in capuchin monkeys. Poster presented at the XX Conference of the Italian Primatological Association (API), Parco Natura Viva, Bussolengo (VR), 10-13/4/2011 (**POSTER PRIZE WINNER**).
82. Bellagamba, F., **Addessi, E.**, Focaroli, V., Maggiorelli, V. & Visalberghi, E. Capacità di inibizione e autocontrollo in età prescolare. Poster presented at the XXIII Congresso Nazionale della Sezione di Psicologia dello Sviluppo e dell'Educazione (AIP), Bressanone (Italy), 26-28/9/2010.
83. \***Addessi, E.**, Paglieri, F., Focaroli, V. & Visalberghi, E. An egg today? Or a hen tomorrow? Delay discounting for primary and secondary rewards in capuchin monkeys. Paper presented at the XXIII Conference of the International Primatological Society, Kyoto, Japan 12-18/9/2010. **Invited talk in the Symposium "Behavior and intelligence of New-world monkeys" (organizers: K. Fujita & J.R. Anderson).**
84. \***Addessi, E.**, Paglieri, F. & Focaroli, V. A comparative perspective on delay discounting: from capuchin monkeys to other primate species. Paper presented at the V European Conference on Behavioural Biology (ECBB), Ferrara (Italy) 16-18/7/2010.
85. **Addessi, E.**, Dufour, V. & Truppa, V. (**Symposium organizers**) Trends in cognitive primatology. V European Conference on Behavioural Biology (ECBB), Ferrara (Italy) 16-18/7/2010.
86. Mancini A., Crescimbene L., **Addessi E.**, Ariely D. & Visalberghi E. Is variety the spice of capuchins' life? An experiment on token value representation and food choice. Paper presented by A. Mancini at the III Conference of the European Federation of Primatologists (EFP), Zurich (Switzerland) 12-15/7/2009.
87. Rossi S., **Addessi E.**, & Visalberghi E. Symbolic stimuli facilitate capuchin monkeys to solve the reverse-reward contingency task. Paper presented by S. Rossi at the III Conference of the European Federation of Primatologists (EFP), Zurich (Switzerland) 12-15/7/2009.
88. Mancini, A., Crescimbene, L., **Addessi, E.**, Ariely, D. & Visalberghi, E. How to spend a token? Value representation and food choice in tufted capuchin monkeys (*Cebus apella*). Poster presented at the III Workshop on Concepts, Actions, Objects (CAOs), Rovereto (TN), 22-25/4/2009 (**POSTER PRIZE WINNER**).
89. Rossi, S., **Addessi, E.** & Visalberghi, E. Do symbols improve capuchins' performance in a reverse- reward contingency task? Poster presented at the III Workshop on Concepts, Actions, Objects (CAOs), Rovereto (TN), 22-25/4/2009.
90. \***Addessi, E.**, Mancini, A., Crescimbene, L., Ariely, D. & Visalberghi, E. How to spend a token? Value representation and food choice in tufted capuchin monkeys (*Cebus apella*). Paper presented at the XIX Conference of the Italian Primatological Association (API), Asti, 1-3/4/2009.
91. Rossi, S., **Addessi, E.** & Visalberghi, E. Do symbols improve capuchins' performance in a reverse- reward contingency task? Paper presented by S. Rossi at the XIX Conference of the Italian Primatological Association (API), Asti, 1-3/4/2009.
92. **Addessi, E.**, Mancini, A., Crescimbene, L., Padoa-Schioppa, C. & Visalberghi, E. Capuchin monkeys (*Cebus*

- apella*) make rational choices in a symbolic context. Paper presented by A. Mancini at the XXIII Conference of the Italian Ethological Society (SIE), Arcavacata di Rende (CS), 17-21/9/2008.
93. \*Visalberghi, E., **Addessi, E.**, Truppa, V. & Spagnoletti, N. Does weight matter? Stone selectivity in wild bearded capuchin monkeys (*Cebus libidinosus*). Paper presented at the XXIII Conference of the Italian Ethological Society (SIE), Arcavacata di Rende (CS), 17-21/9/2008.
  94. \***Addessi, E.**, Spagnoletti, N. & Visalberghi, E. Wild bearded capuchin monkeys (*Cebus libidinosus*) select functional hammer tools. Paper presented at the XXII Conference of the International Primatological Society, Edinburgh, Scotland 3-8/8/2008.
  95. Crescimbene, L., Mancini, A., **Addessi, E.** & Visalberghi, E. Symbolic use of tokens in capuchin monkeys (*Cebus apella*)? Paper presented by A. Mancini at the XXII Conference of the International Primatological Society, Edinburgh, Scotland 3-8/8/2008.
  96. \***Addessi, E.**, Mancini, A., Crescimbene, L. & Visalberghi, E. Symbolic use of tokens in capuchin monkeys (*Cebus apella*)? Paper presented at the SEDSU Workshop at the Novartis Foundation, London, 6-7/12/2007.
  97. \***Addessi, E.**, Mancini, A., Crescimbene, L. & Visalberghi, E. Do capuchin monkeys (*Cebus apella*) deal with tokens as they do with real food? Paper presented at the II Conference of the European Federation of Primatologists (EFP), Praha, 3-7/9/2007.
  98. Riviello, M.C., Wirz, A., **Addessi, E.**, Natale, F., Potì, P., Sabbatini, G., Saporiti, M., Spinozzi, G., Truppa, V. & Visalberghi, E. The Primate Centre of the CNR (Rome, Italy): Research and school. Poster presented at the II Conference of the European Federation of Primatologists (EFP), Praha, 3-7/9/2007.
  99. \***Addessi, E.**, Maranesi, M. & Visalberghi, E. Tufted capuchin monkeys (*Cebus apella*) prefer variety when dealing with objects and food. Paper presented at the XVIII Conference of the Italian Primatological Association (API), Calci (PI), 16-18/5/2007.
  100. **Addessi, E.**, Garramone, A., Tranchida, F., Natale, F. & Visalberghi, E. An intervention to promote a scientific approach towards animals and a correct understanding of animal well-being in elementary school students. Poster presented at the XVIII Conference of the Italian Primatological Association (API), Calci (PI), 16-18/5/2007.
  101. \***Addessi, E.**, Crescimbene, L. & Visalberghi, E. Do capuchin monkeys (*Cebus apella*) use tokens as symbols? Paper presented at the Symposium “Comparison and Interaction between Semiotic Resources in Evolution and Development”, Lund (Sweden), 29-30/9/2006.
  102. \***Addessi, E.**, Crescimbene, L. & Visalberghi, E. Comprensione del valore simbolico dei *token* nel cebo dai cornetti (*Cebus apella*)? Paper presented at the XXII Conference of the Italian Ethological Society (SIE), Erice (TP), 18-22/9/2006.
  103. \***Addessi, E.** & Visalberghi, E. Capuchin monkeys (*Cebus apella*) seek food variety. Paper presented at the XXI Conference of the International Primatological Society, Entebbe, Uganda 25-30/6/2006.
  104. \***Addessi, E.**, Visalberghi, E. & Anzenberger, G. How two South-American primate species (*Callimico goeldii* and *Callithrix jacchus*) deal with novel foods: the role of the social context. Paper presented at the XXI Conference of the International Primatological Society, Entebbe, Uganda 25-30/6/2006.
  105. Ferrari, P.F., **Addessi, E.** & Visalberghi, E. (**Symposium organizers**) Social influences on individual behavior: from social contagion to social synchronization and cooperation. Evolutionary processes and constraints on the origins of social cognition. XXI Conference of the International Primatological Society, Entebbe, Uganda 25-30/6/2006.
  106. \***Addessi, E.**, Visalberghi, E. & Anzenberger, G. How social influences affect food neophobia and exploration in two South-American primates species (*Callimico goeldii* and *Callithrix jacchus*). Paper presented at the XVII Conference of the Italian Primatological Association (API), Palermo, 16-18/5/2005.
  107. Ferrari, P. F., Fogassi, L., Maiolini, C., **Addessi, E.**, Paukner, A. & Visalberghi, E. Recognising when

- being imitated and the repetition of observed actions in macaques (*Macaca nemestrina*). Paper presented by PF Ferrari at the XVII Conference of the Italian Primatological Association (API), Palermo, 16-18/5/2005.
108. **Addressi, E.**, Birch, L.L. & Visalberghi, E. Social influences on food neophobia in young children. Poster presented at the XXI Conference of the Italian Ethological Society (SIE), Padova (Italy), 15-17/9/2004.
  109. \***Addressi, E.**, Sabbatini, G., Stammati, M. & Visalberghi, E. Factors affecting preferences for novel and familiar food in tufted capuchin monkeys (*Cebus apella*). Paper presented at the XX Conference of the International Primatological Society, Torino (Italy), 22-28/8/2004.
  110. \***Addressi, E.** & Visalberghi, E. The role of individual learning, social facilitation and stimulus enhancement in the acquisition of an object-choice task in tufted capuchin monkeys (*Cebus apella*). Paper presented at the XVI Conference of the Italian Primatological Association (API), Radicondoli (Italy), 28-30/10/2004.
  111. **Addressi, E.** & Visalberghi, E. How social influences affect food neophobia in tufted capuchin monkeys (*Cebus apella*). Poster presented at the SNE (Society for Nutrition Education) Conference, Philadelphia (USA), 26-30/7/2003.
  112. \***Addressi, E.** & Visalberghi, E. The role of social influences on food neophobia in tufted capuchin monkeys (*Cebus apella*). Paper presented at the SSIB 11th Annual Meeting, Groningen (The Netherlands), 15-19/7/2003.
  113. Sabbatini, G., Stammati, M., **Addressi, E.** & Visalberghi, E. The role of nutrient composition and social context in determining preferences towards novel foods in capuchin monkeys (*Cebus apella*). Poster presented at the XX Conference of the Italian Ethological Society (SIE), Torino (Italy), 17-20/9/2002.
  114. \***Addressi, E.** & Visalberghi, E. Overcoming neophobia. The role of social context in tufted capuchin monkeys (*Cebus apella*). Paper presented at the XX Conference of the Italian Ethological Society (SIE), Torino (Italy), 17-20/9/2002.
  115. \***Addressi, E.** & Visalberghi, E. Acceptance of novel food in tufted capuchin monkeys: the role of social influences. Paper presented at the XIX Conference of International Primatological Society, Beijing (China), 4-9/8/2002.
  116. Visalberghi, E. & **Addressi, E. (Symposium organizers)** Food acceptance, diet selection and feeding techniques: the role of social influences on individual learning. XIX Conference of the International Primatological Society, Beijing (China), 4-9/8/2002.
  117. Drapier, M., **Addressi, E.** & Visalberghi, E. Tufted capuchin monkeys (*Cebus apella*) discriminate novel from familiar odors by nosing a group member while eating. Poster presented at the First European Conference on Behavioral Biology “Conflict and Resolution”. Münster (Germany), 31/7-4/8/2002.
  118. **Addressi, E.** Mechanisms underlying social influences on the acceptance of novel foods in tufted capuchin monkeys (*Cebus apella*) and common chimpanzees (*Pan troglodytes*). Poster presented at the Euresco Conference “Brain Development and cognition in human infants. Emergence of social communication: hands, eyes, ears, mouths”. Acquafredda di Maratea (Italy), 7-12/6/2002.
  119. Drapier, M., **Addressi, E.** & Visalberghi, E. What are you eating? Is it smelling new? Tufted capuchin monkeys (*Cebus apella*) discriminate novel from familiar odors by nosing a group member while eating. Paper presented by M. Drapier at the XV Conference of the Italian Primatological Association (API), Roma (Italy), 30/5-1/6/2002.
  120. \***Addressi, E.** & Visalberghi, E. Do social influences foster novel food acceptance or the acquisition of a "safe" diet? Paper presented at the XV Conference of the Italian Primatological Association (API), Roma (Italy), 30/5-1/6/2002.
  121. Visalberghi, E. & **Addressi, E.** Learning what to feed upon. The role of social influences in tufted capuchins (*Cebus apella*) feeding on novel foods. Paper presented by E. Visalberghi at the Primate Society of Great Britain Meeting, London (UK), 27-29/11/2000.
  122. Visalberghi, E. & **Addressi, E.** Food for thoughts: social learning and the feeding behavior in capuchin

monkeys. Insights from the laboratory. Paper presented by E. Visalberghi at the International Conference on Traditions in non-human primates, Athens (USA), 16-18/11/2000.

123. **Addessi, E.** & Visalberghi, E. Risposta al cambiamento in palatabilità di un cibo nel cebo dai cornetti (*Cebus apella*). Poster presented at the XIX Conference of the Italian Ethological Society, San Giuliano Terme (Italy), 4-6/10/2000.
124. \***Addessi, E.** & Visalberghi, E. Social influences on neophobia in *Cebus apella*. Paper presented at the XIV Conference of the Italian Primatological Association (API), Calci (Italy), 9-11/10/2000.
